

MAYHEW TECHNOLOGY SOLUTIONS

MTS is a SDVOSB/VOSB, WOSB/WBE/EDWOSB, Hubzone, and ODOT-DBE small business. We offer design and installation services for low voltage systems, structured cabling, to include copper, fiber optic, ISP, OSP; MPLS, VOIP, and SDWAN, as well as physical security, and audio-visual systems. Additional services include facilities support, CX-contact center, inspection and analysis, and long-term service and maintenance. MTS's expertise spans the federal, state, municipal and commercial marketplaces. Our goal is to continuously perform on time and on budget delivering the highest quality workmanship.
